CHAIR'S REPORT

I hope you all had a great summer enjoying the sunshine and our beautiful country side. If you enjoy exploring the woods and open spaces around Pembury, you can of course purchase for a modest £1 a marvellous footpath map from the Parish Council office (located in the Recreation Ground off Lower Green Road.)

By the time you receive this edition of Pembury Village News we will have had the annual firework display and the moving centenary Remembrance Sunday including the unveiling and dedication of the new Name Plaques on the War Memorial in memory of the men of Pembury who fell in World Wars I and II. For the latter we are very grateful for the impressive research and fund-raising skills of our local historian Richard Snow. See pages 22 and 23 for photos

We are very fortunate in Pembury in having so many dedicated organisations and volunteers. If you have some free time or are interested in broadening your outlook have a look at the last page of this magazine. Alternatively, if you are new to Pembury and would like to know what happens locally have a word with the Parish Office or a Parish Councillor and they can point you in the right direction.

The Tunbridge Wells Local Plan issues continue and while the Borough Council will not be consulting on their proposals until well into next year, an application has emerged for quite a substantial car showroom and workshop on the Tesco site opposite the supermarket on the land allocated in the existing Local Plan for park and ride. It will be interesting to see how Tunbridge Wells addresses this.

Insofar as the other main Local Plan issues are concerned, the Borough Council has been advised by the Parish that there are certain key matters such as:

- Whatever transpires a tight Metropolitan Green Belt line must remain around Pembury to keep it a village and separate;
- The A21 and its inadequate junctions are a major problem;
- There are infrastructure issues particularly relating to sewerage and drainage;
- There are major on and off-street parking problems; and
- There is a shortage of smaller and/or retirement downsizing housing.

There are many other issues still to emerge but the Parish Council together with our County and Borough Councillors will be fighting for Pembury.

Lastly, an advance advert. Next May 2019 the term of the current Parish Council runs out and hopefully we will have an election for a new Council. While the statutory notices will appear at the beginning of the year, if you are interested in standing and would like some early information please contact our Clerk Helen Munro.

Wishing you and yours a very Happy Christmas and a prosperous and peaceful 2019.

David Coleman

COPY DEADLINE FOR NEXT ISSUE

OLD CHURCH PEMBURY – SEPTEMBER 2018

When the idea of the Flower Festival over Heritage weekend was first suggested by Veronica Knight in the late autumn of last year, we had no idea whether the residents of Pembury would be enthusiastic and who would want to take part.

On Thursday September 13 this year we had our answer. Flowers were donated from everywhere, from gardens and allotments. The more mature Pembury residents made displays including those from Cornford House and U3A, as did the younger children from Pembury Primary School (the wellies were amazing!), the children from Little Rascals at the Baptist Church, and also the girls from Kent College. There were displays from the Gardeners, the Parish Council, the Bowls and Cricket Clubs, the Upper Church and the Catholic Church and other village organisations; supplemented by arrangements from Pembury Parish Church Flower Guild which were sponsored generously by local businesses. By Friday afternoon those who were helping were fairly exhausted but proud that the Church looked so beautiful, as did the porch entrance and the Lych gate. Ryan and Darrell, the Parish Council groundsmen, had worked hard on the churchyard as had Hugh Boorman and his volunteers to clear the ground and paths.

Guests visiting on Friday evening included the Mayor and Mayoress of Tunbridge Wells whom

we were delighted to welcome as the Mayor attended despite his recent accident, Bishop Simon, the newly installed Bishop of Tonbridge and the Rector of St. Marylebone together with a descendent of Robert Browning, one of whose poems was the inspiration and theme (as chosen by Jack Vaughan) for the displays. Refreshments were provided by the Camden Arms Hotel, and soft drinks by the Black Horse and the George and Dragon at Tudeley. On Saturday evening the church was full for a concert organised by Rev'd. Carrie Walshaw who provided beautiful music. The church was full again for Choral Evensong on Sunday evening at which Cantiaci sang and the Archdeacon of Tonbridge preached.

There were large numbers of visitors over the weekend; some of whom were unaware of the existence of the church. We owe huge thanks to all of those who contributed flowers, their time and effort, their donations and particularly to Veronica Knight, without whose enthusiasm and organisation the Festival would not have happened, and to the members of the Flower Festival Committee. The catering was provided by local volunteers (spectacular cakes); and amazing artwork for the posters and the programme was produced by Gillian Norman Draper. It was a fantastic weekend and the Church looked simply stunning for its Heritage weekend appearance. Thank you!

Once again, we feature someone who has just retired from our community. We couldn't let Rev'd. Douglas Robertson leave without inviting him to tell us his story.....

"When you read this I will be the former Vicar of St. Peter's Pembury, having retired at the end of November. Sadly, I had to retire because of ill-health, following major surgery last June. I would have preferred to have remained for another two years, but Pembury is a busy and demanding parish and I could no longer give the job the energy and enthusiasm it requires.

I was born on 12 June 1952 in the Simpson Memorial Maternity Pavilion in Edinburgh, the first of four children. We lived in mining villages until I was six when we moved to Eskbank, on the outskirts of Dalkeith. I attended the local schools. The motto of Dalkeith High School is Labor Omnia Vincit (Work conquers All). When

we moved to Bromley in Kent in 1967, I attended Beckenham and Penge Grammar School for Boys, where I was awarded Rugby Colours and was School Vice-Captain. The motto of that school is Mores et Studia (Good Character and Learning). During my interview at St. Edmund Hall, Oxford, I was invited to contrast the High School and the Grammar School. Thank goodness I was quizzed on something I understood! I loved my time at Oxford. I was JCR Steward, awarded Rugby Colours, coxed the successful College Third Eight, and became an Iroquois, playing lacrosse for Oxford's second team against its Cambridge counterpart. We lost! I also read Law and met my wife, Sue, who was a nurse at the John Radcliffe Hospital.

On leaving Oxford, I attended the College of Law before serving Articles with the Deputy Legal Advisor of the National Coal Board. On qualification as a solicitor I moved to Kenneth Brown Baker Baker (later Turner Kenneth Brown), becoming a partner when I was 29. Later, I moved to Memery Crystal. I specialised in commercial conveyancing.

I never expected to become an English Vicar! When we moved to Bromley we joined the Presbyterian Church of England, later part of the United Reformed Church (URC). I became an Elder and subsequently Church Secretary (the Lay Leader). There, I married Sue and our two children, Iain and Carolyn, were baptised. We were very happy in that church.

However the God of Surprises had plans for me! In 2004, I left the URC to train part-time for an ordained ministry in the Church of England and, in 2007, I gave up the Law and left the City. I felt a call to parish ministry and I was extremely fortunate to follow that calling in Pembury. I became Vicar of Pembury in February 2011, having served my curacy in the Parish of Rochester.

Pembury is a very special place. It is blessed with two Anglican Churches (each called St. Peter's) - the 11th century Old Church and the Upper Church in the centre of the village. In addition, Pembury Churches Together (St. Peter's, St. Anselm's Roman Catholic Church and Pembury Baptist Church) is strong, and there is a real sense of community in the village.

The Vicar of Pembury is not just concerned with the two Anglican Churches and its ecumenical partners, but for everyone in the village, of whatever faith, or none. I hope that, during my time in Pembury, people were aware of my love and concern for the whole community.

As regards St. Peter's, I regard the following as highlights of my ministry:

First, registration as an Inclusive Church, where everyone is welcome, irrespective of gender, age, physical or mental abilities or sexuality.

Secondly, the link with Maziwa, in the Diocese of Kondo, in Tanzania. I am delighted that a party from St. Peter's visited Maziwa last October to meet our Christian brothers and sisters in that place.

Thirdly, Coffee Stop on a Wednesday morning, which has proved to be valuable outreach to our village community.

Finally, the growing Junior Church and the illumin8 group (for children in year 7 and upwards).

In addition to hundreds of christenings, scores of funerals and dozens of weddings, I particularly enjoyed leading assemblies at Pembury Primary School and my Governorship of that School. I was privileged to serve as a Volunteer Chaplain in both our Hospital and Hospice, and to have hosted the annual NHS service for those who have experienced the devastating loss of a baby or child.

Sue and I have retired to Malton (the Food Capital of Yorkshire), and are enjoying seeing more of our two grandchildren. I should be much stronger physically by the summer and may then apply for Permission to Officiate in the Diocese of York. Who knows what the God of Surprises might have in store for me?

Sue has a ministry in Spiritual Accompaniment which will continue in Yorkshire, but, until this summer, she will remain involved as a leader of Rochester's Spirituality Programme.

The village of Pembury has been the source of many blessings for Sue and me and we will continue to pray for you all."

I am sure we will all miss Douglas's dedication, enthusiasm and sense of humour. We were certainly aware of Douglas and Sue's love and concerns for the whole community. Our very best wishes go to them both in their retirement in Yorkshire and our grateful thanks to them for all they have achieved in Pembury.

At Pembury Primary School we are working hard to provide opportunities for children to develop their fitness and lead healthy, active lifestyles. In 2016 we introduced the 'Pembury Mile' whereby the children run three laps of the school playgrounds, totalling one mile. As a class, children walk, jog or run the mile track on as many days as they can. At the end of each term, the totals are added up and classes are awarded gold, silver and bronze trophies for running the most miles in the school. Not only does this regular physical activity develop health and fitness but it is also improving concentration in class, energy levels are increased and the children love it! Our tracking also shows that children are becoming fitter and faster each year.

We are also offering an increasing amount of active clubs, including a cross country club which has proven very popular over the last few years. The children who attend this club also attend races against other local schools across the season. So far this year we have attended our first race at Somerhill School which was very successful. The Pembury team achieved one first place finish, two second place finishes and six further children finished in the top 20. Pembury children also had great fun participating in a local Run 4 Life race at Dunorlan Park and were represented by boys and girls from all year groups.

How old is our market?

The Pembrokeshire Village Market stallholders know that they are continuing a proud tradition of providing a community service but have often wondered just how many years has the market been open? Do you know? How did it all begin? We would love to hear from anyone that can help us to answer those questions.

We do know that for at least thirty years the Village Market has been a place to buy essentials and to find quality hand-made items as well as useful bits and bobs, all at sensible prices. It is also a place to meet up and enjoy a chat over a cuppa and a cake and to support local charities including Kent Air Ambulance, Hospice in the Weald, Pembrokeshire and Tunbridge Wells Headway.

Drop in any Tuesday between 9 and 11:30 and you are likely to find:

- Fresh fruit, vegetables, plants, eggs, home-made preserves, groceries and seasonal produce from Pembrokeshire.
- Unique handmade cards, jewellery, textiles and locally grown lavender and dried flowers.
- Jigsaws, books, an eclectic mix of vintage items and quality pre-loved clothes.
- Come and browse the stalls and enjoy home-made refreshments – we aim to provide a wide choice of cakes and at least one savoury item to tempt you.

We now welcome well-behaved dogs on leads so if you are out walking with your best friend do call in.

PRIDE IN PEMBURY TEA

It was the perfect October afternoon for the Pride in Pembury Tea held in the Pavilion at the Recreation Ground. The sun was shining as guests arrived to enjoy tea and cakes laid on by the Parish Council in recognition of the winners of the Pride in Pembury best garden and People's Champion award, as well as a big thank you to Pembury people who have made an invaluable contribution to the community over the past year.

Pride in Pembury was established by June Crowhurst, the council's former chair, who resigned earlier this year. June was, and still is, committed to making Pembury a better place to live for everyone, and having fantastic volunteers and a village full of beautiful and well-tended gardens are an important component. Every year, the Parish Council encourages Pembury residents to nominate their favourite gardens, and in July, members of the council pay a visit to each of the gardens to judge the winners.

"This year was particularly challenging for gardeners because of the dry spell we had in July," explains Patrick Gillan, Chair of the Environmental Working Group. "But Pembury is lucky enough to have some committed

and talented gardeners who, despite the parched conditions, kept their gardens looking wonderful."

For the first time, invitations were extended to the army of Pembury people who regularly give up their time to help the village community in a number of different ways, e.g planting and tending the community planters (not an easy job this summer), ensuring the Pembury Village News is delivered to every household and the Community Coffee shop volunteers.

"We wanted to recognise every one of these fantastic people working so hard behind the scenes, and thank them for their efforts," said David Coleman, Chair of the Parish Council, "We were so pleased that so many people turned out. It was quite obvious that everyone appreciated the chance to get together whilst enjoying a fantastic spread of homemade cakes."

As well as great gardeners, we also have some great bakers – The Great Pembury Bake-off next year?" Watch this space!

THE ALLOTMENT SLOT

Thinking of taking on a plot? - then a recent change in the 'allotment year' makes it much easier. Instead of the renewal being in April with the fiscal year, it is now in the autumn. This is a good time for starting on a plot as it allows you time to get organised over the winter and start growing in February or March.

More recent improvements on the Woodside Allotment Grounds lately have included several clean-up days where 'us plotters' have rallied round to try and keep the vacant plots under control. This usually involves a bonfire which, as everyone knows, is always a treat! There's also been a few communal barbeques up at the newly acquired Big Shed, which so far have been blessed with dry weather.

There's been the usual trickle of new people who stay and new people who don't; then there's the people who are still there after decades but of course always a few who, after decades, have to give up.

These are the plots which should be snapped up quickly as they've been looked after for years and are often in good condition. It is very surprising that, unlike so many other allotment grounds which have long waiting lists we're told, there are plenty of plots available. I wonder why that is?

I personally have a mission to keep a couple of plots prepared for newcomers. It is really daunting if you take on a sea of weeds, so this is a picture of a half-plot [£18 per year] which is virtually 'ready to go' and about to be covered up. The secret of keeping it covered is the blocking out of light, as no plants can grow in the dark! Don't uncover the ground until you need to and when you do, just reveal a bit, dig it if you want, and sow your seeds or whatever.

I will just add that nature will never stand still – covering up isn't a recipe for neglect! Dust will land, seeds will settle and plants at the edge will steadily move across the top – so you will still have to keep an eye on things. Time, tide and weeds wait for no one.

PEMBURY REMEMBERS FILM SHOWING

David Doré's Film "Pembury Remembers" will be shown in the Baptist Church, Romford Road, on December 6th at 7.30pm. This poignant documentary includes scenes from Tyne Cot, Langemarck and the Menin Gate. There will also be interviews with relatives of Pembury men killed in action in the two World Wars. Filming of the carving of the names on the new Portland stones is included and of course highlights of the Remembrance Day Service held at the War Memorial on 11.11.18.

There will be another award-winning film by David about the sinking of the RMS Lusitania by a German submarine, the U-20 in 1915. In addition to the dreadful loss of life, this tragic event would lead to the United States entry into the Great War and the destruction of the reputation of Captain William Turner...a decent and entirely innocent man. "A Damned Dirty Business" will be the first film (about 26 mins).

Everyone is welcome and entry is £5 (cash only) on the door in aid of the Royal British Legion.

A DVD will also be available courtesy of David Doré for £10 on the night or afterwards from Barnes Kingsnorth Estate Agents on the High Street – Cash or Cheque only. Profits also to the Royal British Legion.

KNITTED POPPIES

We would like to thank everyone who has knitted and crocheted poppies to decorate our village. The response has been overwhelming, with just over 2000 poppies being donated. Our little idea really escalated, with so many people willing to find their knitting needles and knit, knit, knit! We hope you have enjoyed seeing the red poppies brighten up our village centre to mark the end of the Centenary of WWI.

The Society's 74th Autumn Show, held in the Village Hall once again exceeded all expectations with a wonderful display of exhibits from Chrysanthemums, Dahlias, Floral Art, Cooking, Handicraft together with entries made by Pembury Primary School Gardening Club and the almost unbelievable 'Vegetable Animal' creations produced by the school children and the Rainbows.

Show organisers had been concerned over how the season's weather might affect entries – fears well-founded in the Vegetable section which, in keeping with other local shows, were well down in entries and quality. Brian Fryer and Steve Jones found enough to interest the judge however!

It takes more than a prolonged heatwave to prevent Reg Bloe and Doug Drury from coming up with Chrysanthemums of National Show standards and they did not disappoint with Reg winning the National Chrysanthemum Society's silver medal and Doug the bronze.

Sadly entries in the Dahlia classes have dwindled of late – the Society losing five of its exhibitors in two years but Derek Parks, Brian Fryer and Steve Jones managed to fill the gaps with some worthy blooms, Derek winning the National Dahlia Society silver medal and Brian the bronze.

Brenda Penfold led the Floral Art team winning the awards for the best exhibit and overall points in the section.

Reg Bloe produced a work of art to win the Handicraft award; Christina Fryer took the Cookery award and husband Brian the Kent Federation Certificate for most points in the miscellaneous Flower section.

The highlight of the Show and main talking point was the impact made by the Primary School entrants and the Rainbows. These really had to be seen to be believed and were a great credit to all concerned.

The Society expresses its profound thanks for the positive support the Primary School has given its shows in 2018 led by Juliet Lewis Williams and hopes to see them all again next year.

The 2019 Spring Show will be held in the Village Hall on Saturday 30 March.

Other awards included:

Vegetables

George Sturgeon (Class 1) and Henry Bishop Award – Brian Fryer

John Baggeson and Bernard Reeve Award – Reg Bloe

Society Award – Dahlias – Derek Parks

Junior Classes – 'A Vegetable Animal'

Under 7	8 – 11s
First – Daniel C	First–Harrison P
Second – Caleb B-S	Second – Charlotte P
Third – Alessia S	Third – Lily A

Society Annual Awards 2018

RHS Banksian Medal

(Most prize money in 2018 shows) – Steve Jones

Dr D Waterfield Cup

(Most points in 2018 shows) – Brian Fryer

Dr D Waterfield Plaque

(Second highest points in 2018 shows) - Steve Jones

Derek Parks, Show Co-ordinator

TRAMPOLINE PARKS

Congratulations once again to the Parish Council Groundsmen!

They have won a Silver Award from Tunbridge Wells Borough Council for the way in which they keep the Burial Ground behind St. Peter's Upper Church.

With all the areas which they have to maintain throughout the village e.g. the Village Green, Recreation Ground, 3x Burial Grounds amongst many others, they take enormous pride in the Burial Ground. They are very respectful that it is a place for quiet reflection and it is beautifully maintained.

EVENTS AT HOSPICE IN THE WEALD

There's no better way of getting into the Christmas spirit than by supporting your local hospice and their events.

The first event is the Ho Ho Hospice Rumble, the fantastic annual fancy dress fun run in which Team Santa and Team Penguin battle it out around a 5k course. This year's rumble is in the beautiful grounds of The Schools at Somerhill, near Tonbridge, from 11am on Sunday December 16.

The rumble is a family day out rather than a race, with no need to be a runner if you'd rather walk or even skip. Join in and you can choose to be a Santa or penguin – the entrance fee of £15 (£10 for children) includes a free fancy dress costume for either team, plus a mulled drink and mince pies.

The Hospice Christmas Cards are now also available across our charity shops, from the Hospice Pembury or on our website. There are a range of designs which picture the beauty of our local community with scenes including Knole House and Bodiam Castle.

To sign up or find out more about this event please

visit the website www.hospiceintheweald.org.uk or contact Kelly Heaton-Ralph on 01892 820533 or kelly.heaton-ralph@hospiceintheweald.org.uk

Give It Up!

Take part in 'Give it Up this January' and support your local Hospice. Will you put your willpower to the test?!

You can easily spend £3 on a pint, £5 on a bottle of wine, £2 on coffee or £1 on chocolate. Forgo these treats to take part in Give it Up this January and donate the money you save to Hospice in the Weald. You could also ask friends and family to sponsor you too.

For more information on how you can get involved in Give it Up contact Leeann on 01892 820507 or leeann.wilmer@hospiceintheweald.org.uk

COMMUNITY COFFEE SHOP

The Pembury community Coffee Shop celebrated its 4th anniversary in October. It has been a very busy and enjoyable year, and several good causes have benefited from profits made, due to our lovely customers. We welcomed two new volunteers who have joined 'the team', Jean and Julie, and we are very grateful for their support.

To celebrate our 4th anniversary, we held a special morning for Macmillan Cancer Support and thanks to our generous customers raised £250 for the Charity. During the morning we presented cheques to two very worthy causes based in Pembury - The Wellgrove Riding for Disabled and Pembury School Gardening Club. On the 5th November we donated all the money taken for drinks and cakes to the Royal British Legion amounting to £300. Included in this figure is £49 which was taken in donations for knitted poppy broaches. We had a wonderful morning, and we were delighted to have Derek Beevis join us who brought along his memorabilia from both World Wars.

Our Christmas Coffee morning will be held on 10th December, we hope you will join us. Our last Community Coffee shop morning of the year will be the 17th December, re-opening on Monday 7th January 2019.

Any profits we make throughout the year from the sale of drinks and cakes are donated to worthy causes. Please come along and enjoy some refreshments in a lovely informal atmosphere at the Pavilion in the Recreation Ground, Lower Green Road. We also serve delicious cakes to take away to enjoy with your afternoon cup of tea! The extra bonus is that your drinks and cakes turn into donations to worthy causes.

If you need any information about our coffee shop please call Chris Snow on 01892-825428 or Heather Purdy on 01892-824940. We are open Monday mornings from 9.30-12 noon (except Bank Holidays)

Heather Purdy

Every quarter we feature an article about the Coffee shop and what a great place it is to go on a Monday morning but as a regular customer, I just wanted to say a big thank you to all the volunteers, who give up their time each week – not only to serve tea and cake, but also to make the goodies. I normally opt for the cheese scones – but have branched out these past couple of weeks to apple cake and lemon drizzle cake – all of which are absolutely delicious!

Originally it was the idea of Chris Snow who, having visited a relative in Yorkshire, came across a volunteer community coffee shop in the village where she was staying. Wondering about recreating this in Pembury, she found out that the Pavilion only had two slots available, so she and a friend grabbed the Monday morning slot and then went on to search out some volunteers to help. Heather and one other joined the team in October 2014 and now, four years later there are 14 volunteers. Thanks to these people, the Community Coffee shop goes from strength to strength. A lot of the Monday morning visitors really appreciate the opportunity to sit with others for a chat over tea and cake. The volunteers are a friendly bunch who are always ready with a warm welcome. So why not give it a go? You won't be disappointed!

Ed

SINGING FOR YOUR MONEY

One of the things we used to do in the build up to Christmas was to do anything to earn a few extra shillings. The obvious one was to go Carol Singing but there were other people doing the same thing, so the art was to be first but not too early. The other problem was what we were going to sing because it all had to be done by memory, well the first two verses at least and then it was back to repeating the first verse again!

It was amazing the difference in what we used to get paid depending on what road you sang in. If we were lucky we would get a threepenny or sixpenny bit but on many occasions, we were told to go away and not come back or we were too early and come back another day. Sometimes nobody answered the door. If nobody came we would either sing the same verse again or sing the first verse of any other carol that we could remember. We used to bang the door normally after the first two verses of anything. Occasionally our luck was in and we would get a florin, i.e. ten pence in new money but the best place to sing was the Priory in Romford Road which is now a care home. This house was one of the largest in the village and was occupied at the time by Lady Berry. That was the place to sing at our best and when Lady Berry came to the door she would always be dressed in long Victorian Dress accompanied by at least six

dogs, sometimes one in her arms. Lady Berry always used to give us half a crown or twelve and a half pence in today's money, as much as we would get for a week's paper round money.

Our most embarrassing time came when we had just sung the first two verses of a carol and knocked the door at one of the houses. The door opened and much to our horror we were invited in to a room full of people who were holding a party and we were invited to sing to them. I think we managed two verses in a very embarrassing atmosphere but thankfully the performance was halted by a round of applause and we left in an embarrassed silence but two bob better off!

No gain without pain.

Hugh Boorman

THE PEMBURY SOCIETY

About 80 members gathered last October for an interesting and enjoyable evening when the key speaker was Dr Ian Beavis, the Curator of Tunbridge Wells Museum. The talk was entitled "Tunbridge Wells in the First World War" and we were taken on a pictorial story of life in TW through the war. This meeting was part of the theme of "Pembury Remembers", commemorating 100 years of the ending of World War I.

Richard Snow gave details of the other events during November and December in Pembury as part of the theme, including the commemoration at the Remembrance Day Service on 11th November of the new engravings on the Memorial stone of the names of those men of

Pembury who died in both World Wars. There were also copies of his book on sale giving the biographies of the 10VC's of the Borough.

Our next meeting is on Thursday 25th April 2019, 7.45pm at St. Peter's Upper Church, when Rt. Hon. Greg Clark, our own MP, will be speaking to us about life as an MP, Cabinet Member and Business Secretary. There will be our usual question and answer session at the close.

Members and non-members (£3) are welcome. Doors open at 7.15pm. I look forward to seeing you then, at what should be a most interesting and informative evening.

David Hanes

WINTER OF CONTENT AT CRICKET CLUB

As the nights draw in and the temperatures drop, we look back with pride on a successful summer for the cricket club.

2018 saw PCC return to the KCVL (Kent County Village) with the 1st XI winning Division 5 at the first attempt, gaining automatic promotion.

The 2nd XI also had a very successful season in Division 7, narrowly missing out on promotion despite a win rate of 70%!

It was also a great summer for the Junior section with the rollout of “All Stars Cricket” for ages 5 and up being a great success.

The “Steelers” once again had an unbeaten season and were clear winners in the u11 West Malling Division of the Invicta League.

The “Blue Caps – u-13” also did well, and we look forward to 2019 with great promise and potential in all age groups.

The Senior Awards 2018 were presented on the final weekend, and congratulations to the winners:

Cricketer of the Year: Stuart McCloy

Performance of the Year: Toby Forward

Young Player of the Year: Harrison Coe

WINTER OF CONTENT AT CRICKET CLUB

Planning is already underway for 2019, with the potential of an upgrade to the front of the clubhouse, and to our bespoke sightscreens and scoreboard amongst the various projects.

We are always looking for new members of all ages and abilities and Indoor nets start in February for Seniors and Juniors aged 9 and up, and we would be delighted to hear from you if you would like to get involved.

Embracing the village community is an essential ingredient to a successful club, and we are indebted to the many local residents and businesses that continue to support us, this not only helps maintain the high standards at the club both on and off the field but enables us to plan for the seasons ahead. For more information on playing, membership and sponsorship, please look us up on our website (<http://pembury.play-cricket.com>).

Richard Dawes
(Club Captain – Pembury Cricket Club)

2nd XI Player of the Year: Andrew Dawes
Sunday Player of the Year: Richard Webster

<https://www.facebook.com/PemburyCricketClub>

REVERSE ADVENT HAMPER

This is an idea that has been doing the social media rounds for a while; create a reverse advent hamper for those in your community who are in need. Simply take a cardboard box, basket, or even carrier bag, and each day put an item in there. Every day, add one more item as you count down to Christmas. UHT milk, sugar, coffee and tea, jars of cooking sauces, ready meals, fruit and vegetables in cans, pasta and rice are always gratefully received, but we would welcome other items that are much needed such as nappies, formula milk, toiletries including toilet rolls, flannels, soap, shower gel, deodorants and sanitary wear, any long life products, and anything else you think you would appreciate in this situation!

Pembury Baptist Church in Romford Road runs the food bank on behalf of HOPE Pembury Churches Together, which is used regularly by families, the homeless, the elderly and others in need in the village. Hampers are prepared to

deliver before Christmas to give families and individuals food for Christmas Day, but after that their cupboard is completely bare....

They would welcome donations of Reverse Advent Hampers from the beginning of January to have supplies for that long, cold month. Please bring them to the Church Office between 9 & 12 from Monday to Thursday anytime after the 2nd January. Alternatively, you can drop donations at St Peter's Upper Church anytime after Christmas, or if you would like to arrange for your donation to be collected please call Katy Brooks on 825882. Thank you so much for your help.

Despite a fairly dire forecast the rain held off on Sunday October 14th and the farm was buzzing with people. We were lucky as it rained heavily in Maidstone and towards London.

The fresh apple juice this year was coloured red by the addition of a red fleshed apple called Ticked Pink. It was very popular and unlike anything in a bottle.

Other novelties were Humbug pears which look like humbugs and an ancient apple cousin called Surprise from Asia which has an orange skin and pink flesh – and has a pleasant and distinctive taste.

The hog roast was again popular and complemented by the giant apple crumble with custard or ice cream. Pippins Cider Club worked very hard and cooked the crumble as well as doing the apple pressing and serving the cider and juice.

The farm shop had a huge array of apple and pear varieties which were all available for tasting.

Children enjoyed the range of apple games and the coconut shy. This year there was apple stamping in addition to the Apple Art by the Guides, Brownies and Rainbows. A very colourful show with blue plums and yellow quinces featuring strongly.

Thanks go to the Noakes family for making all the refreshments, to the Pembury U3A Ukelele band and to all the helpers including those from the Hospice and the farm staff who made the event possible.

The total raised to date for Hospice in the Weald is close to £4500.

David Knight

Cookery correspondent

We are looking for a volunteer to write in with recipes once a quarter – something not too complicated. You don't have to be a Michelin star chef as everyone loves a bit of 'home cooking.'

If you are interested, please contact the office:
deputy@pemburyparishcouncil.gov.uk / 01892 823193

PEMBURY PLAYERS

Pembury Players are thrilled to announce that next year's Panto is, I'm Cinderella get me out of here!! Written and directed by our very own Maggie Weaver, 'ICGMOOH' is a story of rags to riches and features two very ugly sisters Liv and Lav, their obnoxious Mother plus two very odd characters Bob Up and Bob Down. All the usual suspects are in this Panto including a Baron, a Fairy and a whole bunch of mice! Oh and there is even space for St. Peter. Set in a land far far away, you, our adoring public are in for a treat and will leave you wanting more (oh yes it will!) Tickets will be on sale before Christmas from the chemist and online or on the door but remember to book in advance to ensure you have a seat! Thursday 3rd January, Friday 4th January, Saturday 5th January matinee and evening performances - doors open 7.30pm.

Patrick Gillan, Chair Pembury Players

Does anyone remember the Manser family who lived in Henwood Green Road in Pembury?

My grandparents Cyril and May who have both passed away had a son Alan (my father's half-brother) who has Downs Syndrome. I would very much like to find him. If you know him, please contact me – Trudie Manser gran3gsj@icloud.com

Cyril used to make garden ornaments and many of these were housed in his front garden.

Many thanks

CRIME REPORT

Here we are again already and unfortunately whilst it is approaching the season of goodwill the increase in the total number of crimes reported shows that there are those among us and from outside the village who are hell bent on making lives miserable for their victims. I was rather hoping that following the previous quarters figures things had peaked and would show a reduction for this quarter. Unfortunately, this is not the case.

By the time you receive this magazine we will be in the darkest days of winter, don't make life

easier for the would-be criminals. As I say in each edition make sure that you lock and secure everything that you value and keep an eye open for any suspicious activity. I think we would all like our neighbours to report any possible criminal activity, even if it was on your property and not theirs.

Please look after your neighbours, especially those on their own or are ill. Happy Christmas to all Parishioners

Hugh Boorman

PARISH COUNCIL FIREWORKS!

The Parish Council is proud to put on the Firework event each year for the people of Pembury and it was great to see so many people from the village. I very much hope you all enjoyed it.

THANK YOU FOR ALL YOUR DONATIONS WHICH TOTALLED £2944

Richard Snow is responsible for updating the Village Diary, which can be viewed at www.pembury.org.

The diary serves two purposes. Firstly, to enable event organisers to check the diary before arranging an event to avoid clashes. Secondly to enable everyone to know what is happening in the village. It is important that information is sent to Richard at events@pembury.org with date, times, title of event, venue and contact details.

Please note that to view the calendar you must be using a recent version of Firefox, Google Chrome or Internet Explorer (IE11 or later). Computers running Windows XP will only be able to view the calendar using Firefox or Google Chrome.

Organisations – please contact me with your dates for inclusion in the next edition of the magazine: deputy@pemburyparishcouncil.gov.uk

Since term started back at the beginning of September, 2nd Pembury Rainbows have been on an adventure into the 'World of Nature'. It's such a perfect time of year to be out and about watching the changing landscape and learning how the wildlife within it, adapts.

The girls have had great fun collecting items they have found and displaying them on a 'Nature Table', ranging from feathers and fossils, to colourful collections of autumn leaves and fruit and colossal cones and sunflower heads! With some objects found on our scavenger hunts, we made autumnal mobiles to hang in our gardens. We also attempted to create a palette of colours from bits found in the hedgerows and local woodland, experimenting to see which ones had the strongest pigments.

We decided to help our native wildlife as much as possible, especially at this time year.

Local organisations, The Fox Project and Folly Wildlife Hospital, came to talk to the girls about the plight some British wildlife face right now. We were truly delighted that on one visit, a recovering hedgehog joined our Unit - "Ruby", as we named her, ran around the girls' feet as they sat and listened to the sad news that by the time they reach their teens, they may well never see a hedgehog in the wild again. Spurred into action, the Rainbows spent time creating 8 hog homes which are now hidden in locations all over Pembury, as well as donating food, old newspapers and soft toys to both rescue groups. Not forgetting all the creepy crawlies..... the girls also constructed a 5 Star 'Bug Hotel' in the grounds of our HQ. I defy any beetle, earwig or woodlouse to walk past its doors. We may yet receive a rating from top hotels.com!

Rainbows are a group of girls, aged 5 - 7, who meet in Pembury on Mondays and Thursdays. If you would like to get your daughter involved, please register her on - www.girlguiding.org.uk

PEMBURY PRIMARY SCHOOL

I recently went to the Primary School celebration assembly with Cllr Coleman and Cllr Snow when the children from the Gardening Club (run by Juliet Lewis Williams) were awarded a certificate, a voucher and medals for the outstanding work they do in planting and maintaining a beautiful display of flowers – all of which enhance the school grounds. The children also work hard growing vegetables such as tomatoes, runner beans and Swiss chard amongst others. It was lovely to see the enthusiasm shown by the children. If anyone has anything to donate to the school, seeds, bulbs, plants, compost, it would be very much appreciated, and will all be put to great use. Ed.
