- b. Nomination papers for the Parish Council election needed to be at Tunbridge Wells Borough Council (TWBC) by Wednesday 3 April.
- c. The village litter pick is to be held on Saturday 6 April at 10.30am.

C18/210. **OPEN SESSION.** The meeting was adjourned. No members of the public were present. The meeting was reconvened.

C18/211. **CLERK'S REPORT AND ACTION UPDATE.** Members **noted** the Project Update and the following comments were made:

- a. Traffic Congestion – Pembury Road. Following an email sent to Mr Simon Jones of Kent Highways, a reply has been received stating that whilst it is recognised that the A264 is one of the most congested routes into/through Tunbridge Wells, due to the cost of improvements and concerns that junction improvements would simply result in moving congestion on to the following junction, improvement schemes have been difficult to progress.
- b. Coronation Gardens. An email was sent to the developer as requested. No further response has been received.
- c. Cashflow. The bank account is being monitored carefully due to the purchase of the new vehicle in 2018/2019 and not in 2019/2020 as budgeted. The precept would not be paid into the account until the end of April.
- d. Community Clean ups. No update had been received on the Government funding scheme supporting community clean ups.
- e. Tyres for Tractor. The solid wheels had been received.
- f. Lamp-post re-siting. UK Power Networks were returning at the end of April to re-site the lamp-post in Henwood Green Road following their initial error. The resident and an officer would be on site on the day.
- g. Damaged Lamp-post. Quotes would be sought to replace the lamp-post in Henwood Green Road following a road traffic accident. The car number plate was recorded by a resident and this would go through the insurance company. This would be discussed at the forthcoming Planning & Highways Committee meeting.

C18/212. **REPORTS OF COUNTY AND BOROUGH COUNCILLORS.**

Cllr Sue Nuttall

- Dog fouling by the school in Lower Green Road, Henwood Green Road and at the Burial Ground had been reported. Cllr Nuttall told Council that this was no longer the responsibility of the Borough Council.
- Problems with youths in the village had re-surfaced. The new pastor at the Baptist Church was keen to re-start some form of youth club at the Church.

Cllr Paul Barrington King

- Nine planning applications for sponsored advertising signs on local roundabouts have been submitted to TWBC. Cllr Barrington King is in favour of this and has requested a meeting with the Chief Planning Officer and the lead Planning Officer at TWBC to discuss these further.
- The A228 would soon be closed overnight for some major re-surfacing works. At the same time, road signs would be cleaned, and a litter pick carried out.
- Pembury Road would have some major resurfacing works carried out soon.
- He had reported seven potholes along Hastings Road and the High Street to Kent Highway Services (KHS). He was appalled at the state of these two roads and has asked the District Manager at KHS for assistance to investigate the possibility of having both roads partly resurfaced.
- There was a lot of broken glass along the twitten in-between 57 and 59 Henwood Green Road. As this was potentially a Health and Safety issue, KCC would clear this within 24 hours.
- Some street signs in the Village had been replaced. He asked Councillors to report any which they felt needed replacement and he would pass these on to the relevant department.
- He was still awaiting a reply from the KCC Projects Officer regarding the Village Gateways but was hopeful that these would be signed off very soon.
- He was in discussions with KCC Cabinet Member for Transport and Environment and the Director of Transportation, Highways and Waste about reducing the speed limit to 20mph outside the school in Lower Green Road.
- He had arranged for TWBC Traffic engineer to respond to the office giving details of the process of implementing parking restrictions alongside the Village Green. This would be discussed further at the forthcoming Planning & Highways Committee meeting.
- He had given a grant to St. Peter's Upper Church for leaflets to be distributed to every household in Pembury informing residents of the proposal to extend the Church.

C18/213. **PLANNING APPLICATION – HENDY MOTOR VILLAGE.** This application had not yet been received. Even though this was a major proposal, Council would follow its usual procedure except that it would be considered by Full Council rather than the Planning & Highways Committee.

C18/214. **AMENITIES WORKING GROUP.** The Council Chairman gave a report on the meeting and it was **RESOLVED** that the minutes of the Amenities Working Group held on Monday 11 March 2019 were **noted**. The minutes are included at Appendix 1.

- a. Lower Green Recreation Ground. Council **RESOLVED** to appoint Wicksteed to undertake repair works for £675.45 plus VAT.

Pursuant to Section 1(2) of the Public Bodies (Admission to meetings) Act 1960, the public and press were excluded from the meeting for items C18/215 and 216 on the grounds that it would involve the likely disclosure of exempt information at 7.55pm.

C18/215. **LOCAL PLAN.** There was no update to report. Details were awaited and should be available at the end of May.

C18/216. **DISCHARGE OF COVENANT.** The offer requested at the previous meeting was rejected by the landowner. The Clerk was asked to reply to the landowner's letter re-iterating the Parish Council's position.

The meeting was re-opened to the press and public at 8.10pm

C18/217. **FINANCE AND ADMINISTRATION.**

- a. Accounts for payment. The accounts for payment of £16,532.65 were approved by **RESOLUTION**. A list of payments is included in Appendix 2.
- b. Disposal of Nissan D22 pick-up truck. Council **RATIFIED** the disposal of the Nissan truck.

C18/218. **QUESTIONS FROM COUNCILLORS AND FUTURE AGENDA ITEMS.**

- a. It was suggested that more anti-dog fouling posters were put up around the village as this had become a major issue.
- b. The question was raised as to why the Belisha Beacon at Bulls Place/Lower Green Road had not been replaced following a previous road traffic accident. This would be investigated.

C18/219. **NEXT MEETING DATES.** Councillors **noted** the following meeting dates:

- a. Annual Parish Meeting – 29 April 2019
- b. Annual Parish Council Meeting – 13 May 2019.

There being no other business, the meeting closed at 8.23pm.

6. **WOODSIDE RECREATION GROUND ENTRANCE.** Installation of a stile or kissing gate at the entrance to the recreation ground was considered to stop motorbikes entering the site and causing damage to the recreation ground and adjacent land. **ACTION:** It was agreed to install a stile under the Clerk's delegated powers.
7. **WOODSIDE RECREATION GROUND.** A request to protect the recreation ground in perpetuity was discussed. Fields in Trust could assist with a Deed of Dedication if required. It was agreed that this would not be progressed as the Parish Council own
